Mr Ed. Gottlieb
15th & Chestnut
Phila. Pa.

Dear Gottlieb:

First of all I have misplaced your address and you evidently have done the same to mine, as you sent my last letter to the place we left 2 years ago. My correct address is listed above. Please send me yours in your answer.

Now the first thing I want to say to you is has anything been done about you, Pompey and Posey going to Washington to see about the buses. I would like very much to know.

Next, about the trade Abe offered you, before you give Mc Duffy to anyone, be sure and talk to Abe. Maybe we have some one else you would rather have than the offer he made you. From the newspapers some other teams would like to have him to, but I am sure The Eagles could make the best offer.

Phila. is my home so I will run over there some time if there is any thing you would like to talk about. Reading the newspaper stories each day now, makes you wonder what to look for where the baseball is concerned, but I guess things will work out alright.

Last but not least, I would like to send the league members their final financial statement for the year. I cannot do this without a statement from you. If you cannot send yours at this time let me know so I can tell them why the statement is not complete. I must send it out by the end of this month. It should have been sent out Dec. 31st as you know. Will appreciate hearing from you. Hope "The Spars" are doing nicely.

Very Truly Yours
